Providing 4K, 3K & Childcare

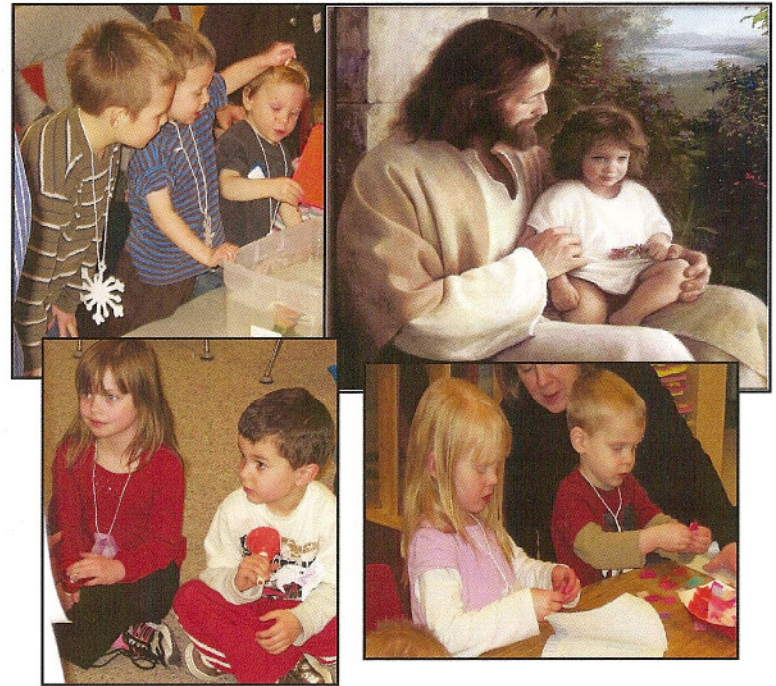

St. Paul sees the challenges facing families today. Thus, we are enhancing our Christian education programs. Beginning in 2010-2011, we are expanding our preschool programs to include 3K & 4K and to establish a Christian Childcare Center for enrolled students of ages 3-12. This includes after-school care for both preschoolers and elementary students. Changes include:

- Expanded 4K to a five-day morning program
- Increased 3K (preschool) to a three-day program
- Convenient childcare options for busy families (including after school care for K-6 students)
- Cost-saving plans for 3K, 4K, & school-age children

Mission Statement
