

ALERT! ALERT! ALERT! ALERT! ALERT!

There are some important changes regarding student drop-off in the morning and student pick up after school. Please read these changes carefully! Contact the school office if you have any questions.

- 1) The day will **begin at 8:00 a.m.** as in the past. To help alleviate time constraints for bus transfers at Prospect School, our school day will be **ending at 2:55 p.m.**
- 2) The buses will drop off and pick up students in the south parking lot. This will alleviate some of the congestion in the north parking lot. **No cars are to use the south parking lot.**
- 3) Parents who drive their students to school should use the north parking lot as in the past. The change would be to park your cars as you do on Sunday mornings in the parking stalls. Please watch for children as you pull into and out of the parking stalls. We ask that you use the cross walks at the ends of the parking lots.
- 4) Students of the 4K program should park in the north lot and enter the building as they have in the past through the main church and school doors.
- 5) Students of the 3K program should enter the building on the southeast corner of the building. Please park on the northeast corner of the building and enter the 2nd set of metal doors towards the south side of the building.
- 6) Before and after school child care pick up and drop off should enter the building on the southeast corner of the building. Please park on the northeast corner of the building and enter the 2nd set of metal doors towards the south side of the building.
