

2023 Forensics Coach Sign Up

If you have a passion for helping children grow in their speaking skills, we want you! If you love working with children individually or in small groups, we want you! If you have speech writing skills and the ability to share and teach that to children, we definitely want you!!!

By signing up to coach, you are committing to helping from mid-September through the end of October. (The meets are on Oct. 20th at St. John, Watertown and Nov. 10th at LPS but the students don't need much help after Oct. 20th.) It's a short-term commitment with long-term effects...helping children learn to speak confidently which will help them share the Gospel in the future.

At least 1 coach is needed for each category. The Demonstration and Informative speech categories could use more than one coach each, as these categories also involve helping the students write and edit their speeches.

Coaches should be available at least 1 day a week between 3:00 and 5:00 PM. More availability is better to accommodate busy after school schedules. This doesn't mean a coach is committing to a full 2 hours of being at school, but practice times are set to coincide with the individual student's availability. (For example, a student may need to meet from 4:30-5:00 after a sports practice.)

Thank you for considering this opportunity!
