

# BAND REGISTRATION

To all current and prospective band students:

The St. Paul band program is under the directorship of Lakeside. Lakeside requires our full payment for our students at the beginning of the school year. In order for both Lakeside and St. Paul to plan accordingly, we need to give them a solid enrollment number by registration in August. This allows Lakeside to get the necessary band teachers to run the program efficiently. Since our portion to Lakeside is non-refundable, this fee is also non-refundable. If you register for band lessons, the amount will be shown on your tuition bill whether your child decides to continue to take lessons throughout the year or not.

With the shortage of band directors in the area, this allows us to continue our band program in the years to come without us scrambling for band directors that may not be available for us to hire. What does the program all entail?

1. The cost will be \$425 for the entire year.
2. A minimum of 26 – 15 minute lessons per year + weekly group band.
3. Students in grades 5-8 are eligible.
4. Music and books are the responsibility of the students and can usually be purchased from Whitehouse of Music.
5. Checks will be made out to St. Paul
6. You will need to provide your own instrument whether you purchase or rent from a place like White House of Music or you purchase from some other place.
7. A personal music stand will need to be purchased for home practice and Fine Arts Fair at Lakeside

Please return this form on registration day.
