

School Safety Procedures

We are in the process of improving safety procedures here at St. Paul. We would hope and pray that we would never have to worry about any such occurrence, but we still want to do what we can to prevent anything from happening. The policies in place were made in conjunction with discussions we have had with the Lake Mills Police Department.

Policy 1

If you need to pick up your child during the school day or are dropping something off, you will be asked to remain in the office while your child is called down from the classroom. This would include doctor visits, lunch drop-offs, forgotten band instruments. Etc.

Policy 2

If you need to go to your child's classroom, for instance to drop off a birthday treat, stop in the office, sign in and obtain a hall pass to take with you.

Policy 3

All parents using before/after school care should use the coded entrances at the north and south side of the building. Preschool parents dropping off their child between 7:30-8:00 should use the south entrance. K-8 families should use the north entrances to drop off students. All doors will be locked and codes turned off during the hours of 7:30-3:15.
